## BKTEF Introduces Culture Education in Baacha Khan Schools

The Baacha Khan Trust Educational Foundation (BKTEF) has introduced Culture Education Curriculum to all Baacha Khan Schools in Khyber Pakhtunkhwa and FATA. This is the first ever attempt to reinvigorate the eroded indigenous culture of Pakhtunkhwa through education system. It will pave the way for the realization of the futuristic vision in education by providing spaces for indigenous creative expressions. The hallmark of the curriculum is introducing the concepts of knowledge based economy and industry based education to the primary and secondary classes so that the students' orientation starts from the very beginning and long term policies for poverty alleviation are implemented by the decision makers.

Community Culture Clubs and Culture Display Centers have been established in each Baacha Khan School to allow artists, artisans, craftsmen and community elders to interact with the students and become part of the teaching learning process. Orientation of Schools teachers and Community Coordinators has taken place on visual arts, performing arts, folklore and crafts. Lesson plans have been prepared for schools teachers and workshops on community sensitization have been designed for Community Coordinators. Specifically, the Cultural Melas held in all Baacha Khan Schools attracted large segments of male and female community members. In these big cultural gatherings, people visit different stalls, eat traditional food and purchase items prepared by the students and local craftsmen. People also enjoy stage performance by the students and professional artists.

Curriculum documents have been prepared which include theoretical framework, implementation mechanism, instructional materials with lesson plans, teaching methodologies, teachers training manuals and evaluation mechanism. Daily and Weekly Culture Classes are taking place in the schools. Monthly meets are taking place in the Community Culture Clubs. Discussions have been held with the Secretary Culture, Sports and Tourism Government of Khyber Pakhtunkhwa regarding replication of the curriculum in the government educational institutions. A significant development in this regard is signing of MoU with the Culture Department Government of Khyber Pakhtunkhwa.

Hunerkada, College of Visual and Performing Art Islamabad is providing technical assistance to the Foundation in the implementation of the project.

## *Pakhtun's Chaadar*

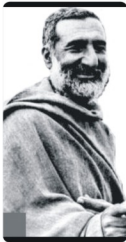

Attired in tatters though  
Yet a grace is there  
For with his Chaadar on  
No Monster does he fear

'Tis not a mere cloth?  
A second skin is it?  
Blue, grey, green and white  
All colours seem to fit.

A piece of cloth belittles  
The worth this label has  
The turbans reach the skies  
Really is like a coil ablaze

The bride in the palanquin  
Feels safe under its grace  
Like guardian Angel  
When tied to her lace

Folded upon the shoulder  
The farmer ploughs the soil  
All it means for him  
The rhythm of the toil

No carpet does he need  
When it's time to pray  
On the green or near the river  
The chaadar he can lay

Some bear fancée's name  
Of passions a lovely tale  
Of loyalty, warmth and love  
Reflected from her coy veil

At Jarga or in Hujra  
In mirth or at play  
This weaved resemblance  
A Pakhtun's display

Now there is no shelter  
Save the blind deaf sky  
Chaadar's the only canopy  
Muffles the innocent cry

## *Where is my Share of Love*

O, God Where is my share of Love?  
Allah You have created earth and the sky,

And then you blessed the world with Love,

I love all but for me Nobody cares.

### *Good Health Depends upon Right Thinking*

Good health primarily depends upon right thinking and consequently on right habits. Vigilantly guard your mind against erroneous and self destructive thoughts as you would guard your house against burglars and assassins. A beneficent power cooperates with you when you engage yourself in right thinking.

To be thoroughly well, you must be thoroughly good and goodness is primarily of mind and heart. Harmonious thinking strengthens, stimulates and nourishes the body. Cheerfulness, purity, and righteousness are vital elements of good health. The reward of virtue is certain, immediate and satisfying. Hold tenaciously to the principals of truth, honour and justice. Right thinking is a great creative force, which builds a healthy and beautiful life.

په مذهب د پښتو کښي دا رواج دے  
د خوشحال په لار چې خي نو قلندر شي  
د منصور سبق زمونږه وظيفه ده  
که سرونه رانه بيل د دار په سر شي  
لکه ستا غوندي (ملنگ) به چرته گورو  
چې په در د پسر روښان کښي منجور شي  
په مزار به دي ، بيا يو زهرے کوډمه  
په وطن چې مې شپه تيره شي سحر شي  
سرمه په د سوي گول ، د شاز لموده  
د قام هر بچے ، زه غواړم چې بختور شي

پنځه مېرمن ، که د مور په شکل کښي وي نو  
د سر سپورے دے که د خور په شکل کښي نو  
زړه پوري او خوږ منه ملگرے او که د ښځي په  
شکل کښي نو د ژوند په هلو خلو کښي خوږه  
ملگرې او د لور په شکل کښي يو رحمت دے  
خو د المسوس خبره دا ده چې پښتني مېرمني  
د علم او پوهې غوندي ټکلي کالي نه محرومه  
پاتي کړي شوي دي ، او که څوک لم بهر کوي هم  
نو بيا هغوي ته مخکښي د تللو موقع نه ده  
ورکړے شوے

پښتون وگرے هيڅکله دا نه خوښوي چې د  
هغه لور يا خور دي بهر نوکړي اوکړي بلکه  
دوي دا يو فخر گنځي چې پنځه د يوې مرغۍ  
په شان په پنجره کښي قيد کړي بلکه خي  
پښتانه واتي چې د ښځي د پاره يا کور دے او  
يا گور دے - هم دغه وجه ده چې پښتانه د  
نورو قامونو ته ورستو پاتي شو.

داسې ډير مثالونه زمونږ مخي ته شته چې  
پښتني کار کونکي مېرمني نه صرف د بهر  
کار کوي او د ملک په ترقي کښي خپله برخه  
ادا کوي بلکه د کور ټولې ذمه واري هم په ښه  
شان سره سرته رسوي. يو خوا که دوي بهر کار  
کوي نو بيل خوا که د پلاز په کور کښي وي نو د  
خپل مور پلاز ورونو خوښدو خدمت ته لاس په  
نامه ولاړه وي- او که د خاوند په کور کښي وي  
نو د خپلو بچو ، خاوند او سحر په خدمت  
کښي خپلي خوشحالي او راحت قربانه وي.

نو ځکه زمونږ پښتنو ورونو بلکه دنړي ټولو  
خلکو ته پکار دي چې د کار کوونکو مېرمنو  
قدر وکړي او دوي ته د عزت او درناوي په  
سترگه او گوري ځکه چې مېرمن د ترقي وړ
